Major responsibilities include providing service music with the adult choir for the Eucharist each Sunday, directing and rehearsing the adult and children's choirs, and in general bearing responsibility for the musical life of our church community.

WHO WE ARE:

We are a worshipping community.

We believe that regular worship, hearing Holy Scripture, and celebrating Holy Communion are the foundations of our faith and spiritual growth.

We are a learning community.

We offer Christian education for all. Young children learn through parables and sacred stories in Godly Play. Older children and teens embark on the Journey to Adulthood, a youth program for spiritual formation. Adults attend the Sunday Forum, where we share lively presentations and discussions on spiritual issues and current events.

We are a giving community.

St. Barnabas' has many outreach programs targeting needs in our own community and around the world. We give generously of our time, talents, and resources, contributing thousands of volunteer hours with open hands and open hearts.

We are a diverse community of faith.

Our church community is inclusive and welcoming to all. We invite you to experience with us the love and caring of the community that is St. Barnabas'.

We currently have an adult choir that sings each Sunday at the Eucharist from September to the end of June, and a growing children's choir that helps with service music on selected occasions and at special liturgical services during the Church Year. The children's choir rehearses during the academic school year.
