Making a Way (and Making a Reservation) for Christmas

Dear Friends,

In the Muppet rendition of *A Christmas Carol*, one of the concluding songs, “It feels Like Christmas” reminds us that at Christmas, it is, “A special time of caring / The ways of love made clear / And it is the season of the spirit / The message if we hear it / Is make it last all year”

Making the spirit of Christmas “last all year” is indeed a powerful and life-giving message and aspiration. And, as I reflect on the also two years now that it has been since we were able to gather in person for Advent and Christmas, I’m especially thankful for this particular season of Advent and Christmas. I wonder if it is an invitation for us to begin again, to consider once again the miracle of the birth of God’s love, God’s story, and God’s incarnate presence of creativity and compassion in our midst—even and especially in the midst of the stresses and challenges of life.

In my own approach to Advent this year, I’ve been reminded once again of the incredible inspirational power of our online Epiphany Pageant last January. If you are seeking to begin your own preparations for Christmas, or to get into the Spirit of the season more generally, look no further! It’s well worth revisiting (link: <https://www.youtube.com/watch?v=YCgk5nAQSIE&t=15s>). Another way to find the video is to go to the St. Barnabas’ webpage www.st-barnabaschurch.org, select the Online Worship tab and then scroll down to click the link for the St. Barnabas’ YouTube channel. Once you are on the YouTube channel, you can click back through the postings to find January 9, 2020, when the Epiphany Pageant was posted as a standalone video. Many thanks once again for Jessica Riddle, Theresa Merchant, Ellen Riddle, and Andy Riddle, and all who contributed and helped with planning and implementing the production.

Even though things aren’t completely back to “normal” yet—we are still wearing masks, running indoor air filters, ventilating spaces as much as we are able, and maintaining physical distance in our sanctuary—I’m thankful for the

opportunity we do have to prepare the way for our celebration of the Feast of the Incarnation. Please note that for the first time in recent memory, due to limited space in the Sanctuary, **the Regathering Committee has asked those who would like to gather in person to please make a reservation for Christmas Eve services ahead of time**, and to do this with as much advance notice as possible, for our two separate gatherings starting at 4:30 p.m. and 7:00 p.m. Please call the Parish Office if you are unable to come to church in person to make your reservation. Reservations for 75 individuals at each service will be available on a first come, first served basis. At the time of this writing, and given sign-ups at the Annual Meeting, we are accepting waitlist reservations for our 4:30 p.m. service and are planning to livestream our 4:30 p.m. service on YouTube for those who prefer to worship from home. Nave reservations are only available for our 7:00 p.m. service. Overflow seating in the Richardson Room is available for the 4:30 p.m. service, however.

Amid the challenges of this time, and as you prepare for this particular Advent and Christmas, I hope that you will find it a special time of caring, when the ways of love are indeed made clear.

Blessings,
John+

Vestry Highlights - November 17, 2021

- Vestry agreed to participate in the Hypothermia Shelter program for 2022. We are offering to provide dinner and breakfast. Cindy McLaughlin is the leader for this activity.
- Christmas Eve services will be held at 4:30 and 7:00 p.m. The Sunrise String Quartet is providing musical preludes at both services. Stephen Ackert will provide organ music for both services, and the St. Barnabas' Band is playing in the 4:30 p.m. service, when masked congregational singing is also encouraged.
- Since we are limited to 75 people in the nave at any one time, we will be accepting reservations for both services. We will use the Narthex and Richardson Room for any overflow at the 4:30 p.m. service.
- The final draft of the position announcement for the Coordinator of Christian Education was reviewed and approved.
- The evaluation of the church building's energy efficiency options is ongoing. The Building & Grounds Committee recommended that we use monies in the Endowment Fund to upgrade our lighting system with LED bulbs and new fixtures where necessary; the Vestry approved the Building & Grounds Committee's recommendations.
- The Treasurer announced that our finances are in good shape. The Vestry approved salary increases for the church staff and the salary we could offer to the new Minister of Music.

Christmas Services and a Return to Congregational Singing (Masked)

by Molly Newling, Chair, Regathering Committee

Christmas is always a joyful time at St Barnabas'. The Rector, Regathering Committee, and Music Committee have been working together to make plans for a safe celebration of the birth of Christ, while including as many of our traditional activities as possible.

For the first time in several years, we are planning two services on Christmas Eve, with the first at 5:00 p.m. including a musical prelude at 4:30 p.m., and the second at 7:00 p.m. Masks will be required at both services.

We feel that having two services is the best way to accommodate as many people as possible while maintaining the social distancing that will keep everyone safe. We know that the early service on Christmas Eve is a popular one, and we are asking you to sign up for the service you plan to attend. Please reserve your space early, if you know which one you would like to attend, as spaces in the Nave may be claimed quickly.

With current distancing guidelines, we expect to have space for about 75 individuals in the Nave at a time. If the number of people wishing to attend the 5:00 p.m. service (with musical prelude at 4:30 p.m.) on December 24 goes above the number we can accommodate in the Nave, we are seeking to arrange for overflow seating in the narthex or Richardson Room. The early service will also be livestreamed from the church for those who prefer to participate from home.

On Christmas Day, there will be a short Noonday Prayer service on Zoom, also accessible via phone. On Sunday, December 26 we will have one service of Lessons & Carols with Holy Eucharist, beginning at 10:15 a.m.

There have been a number of questions to the Regathering Committee and our musicians about when we will be able to return to congregational singing. We have decided that our 5:00 p.m. Christmas Eve service is an appropriate time to return to this much-loved activity. For those who prefer a Christmas Eve service without singing, our 7:00 p.m. service is intended to be instrumental only, with no congregational singing.

Our decision about singing at the 5:00 p.m. service was based the dropping case rate of COVID-19 in our area, the possibility for children age 5 and up to receive the vaccine, and the Diocese of Virginia's decision to allow singing by congregations if all are masked and socially distanced. We have also improved the air exchange rate in the church spaces with additional air filters. In addition to masks, we will have marked the seating in the church pews in order to ensure the required distancing. We appreciate your understanding and cooperation.

Greening of the Church Sunday, December 19th

The greening of the church will be on Sunday December 19 after the 10:15 a.m. service. Volunteers are needed to put the bows on the wreaths and hang the wreaths in the nave; bring the creche and poinsettia stands from the shed to the nave, hang outdoor wreaths and roping; and hang lights outside. The work should take about an hour. If you plan to help, please contact Molly Newling or Camille Mittelholtz.

Christmas Services *(continued from previous page)*

Once again, out of consideration for those who would still feel uncomfortable participating in a service where there is congregational singing, the 7:00 p.m. service on Christmas Eve will have no vocal music.

We are grateful for the vaccines, booster shots, and especially the vaccines for the children age 5 and up which are allowing us to return to a more normal pattern of worship. If you have any questions about the coronavirus vaccines or the flu shot (have you gotten yours?) please feel free to contact me.

We hope to see everyone in the parish at one of our services, and to wish you a most Merry Christmas!

Adult Christian Education

Journeying the Way of Love

by Jeff Schaefer on behalf of the Adult Christian Education Committee

The Adult Christian Education Committee has chosen the Episcopal program *Journeying the Way of Love* as the focus of Adult Forum beginning in Advent. *Journeying the Way of Love* offers four sessions to be explored as we await and celebrate the coming of Christ by moving through the first two chapters of the Gospel of Luke. Luke's gospel provides a pattern for understanding how we can live the *Way of Love* as individuals, as families and friends, as a community, and in the world. The sessions are especially designed for use during Adult Forum. Curriculum resources include the *Journeying the Way of Love* Advent Calendar, Discussion Questions About Spiritual Practices, Starting a Rule of Life, and Scripture Passages. Adult Forum meets from 9:15-10 a.m. Sundays in the Richardson Room; session materials will be provided to participants each week. (Copies will be available from the Parish Office for those interested who cannot attend.)

First Week of Advent: *Saying "Yes" to the Journey*

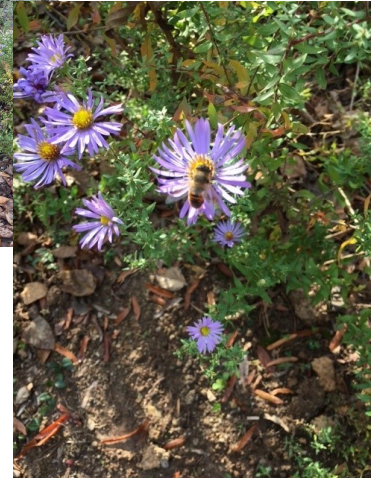

As Advent begins this week, we invite you to orient yourself to the coming of Jesus at Christmas through the practices of *Journeying the Way of Love*. This journey begins by saying "yes" to God's call to birth new life into the world—a call that is both powerful and gentle, a call that will, if fully embraced, grow beyond our imaginations, spilling out of ourselves and into our family, friends, community, and the whole world. Over the course of this holy season, we invite you to respond to that call using these daily practices, and encourage you to offer them to your friends, family, and neighbors.

Garden Update

You may not have noticed - but maybe you have...? We have new plantings around the parish property, natives that have been researched and selected for sites in the front and along the side parking lot at church. Thank you to Master Gardener Molly Newling for her faithful Care of Creation, particularly here at St. Barnabas', and thank you to those who have come to help weed and mulch our lovely gardens, especially on our October Parish Work Day.

We hope that you will be inspired and join in a future Work Day as we continue to transition to plants that are preferred by our native insects and birds.

Feed the bees!

Journeying the Way of Love (continued from p. 7)

December 5, 2021 – Advent 2 (C)

Second Week of Advent: Journeying with Family and Friends

As we continue our Advent walk, we invite you to see the *Way of Love* as a journey that can expand to include family and friends. Mary said “yes” to the call to birth Jesus, God’s Word, into the world and immediately went in haste to share her good news with her cousin, Elizabeth—a four-day journey into the Judean hills. Isn’t that what happens when we hear good news? We are driven to go and tell others. The *Way of Love* is good news that demands to be shared.

December 12, 2021 – Advent 3 (C)

Third Week of Advent: Journeying with Community

As we continue our Advent walk, we invite you to see the *Way of Love* as a journey that includes the community. The witness of Zechariah and Elizabeth who bring infant John to the Temple to be circumcised reminds us of the importance of our faith community to sustaining the *Way of Love*. Just as the community did for John’s family, communities provide a place for discernment, sometimes challenging us and other times affirming us. Communities celebrate and mark important moments along the journey.

December 19, 2021 – Advent 4 (C)

Fourth Week of Advent: Journeying in the World

As we come closer to the joy and promise of the Incarnation, we invite you to continue journeying the *Way of Love*. Consider this week which of the seven practices captured your imagination this Advent. Which challenged you or brought the most joy? Where did you find blessings or cross boundaries? Where is God calling you to witness to salvation being birthed into the world today?
